To whoever it may concern:

My wife and I are most happy to recommend Miss Lidia Fule for her work as a sommelier and guide to Budapest culture. We were fortunate to have met Miss Fule last June on a trip to Budapest and her input was one of the most significant ingredients of what turned out to be a wonderful and memorable visit. She is of course extremely fluent in her English, she is highly knowledgeable and she has great enthusiasm for communicating with people, for her culture and Hungarian wine. She is a tremendous ambassador for Budapest and we found her to be vivacious and inspiring company. My wife and I are both professional musicians who live and work in London.

To whom it may concern:

I have been working with Lidia for a year now and I have a great chance to meet her in person in Curitiba, Brazil. During that period, she enthusiastically shows her interest in history, cultures, fine cuisine and most importantly in wines. She shared her experience with me that she took a wine course in order to gain more knowledge and understanding in wine culture. I was enlightened and joyful with the information she shared with me about her country and other countries that she visited in the past.

I strongly believe that Lidia will be a great fit to this opportunity and therefore I highly recommend her to you. She is an outgoing, energetic, hard-working and eager to learn person. With her great knowledge in cultures and wines, and tremendous experiences in travelling to exotic countries, she could entertain tourists (locals and foreigners) easily.

Tisztelt Hölgem/Uram,

ezúton szeretném figyelmébe ajánlani és személyes tapasztalataimat megosztani Önnel Füle Lídiáról. Több mint 4 éve ismerem őt és az elmúlt években többször dolgoztunk közösen. Elsősorban idegvezetői és a borok iránti szakértelme területén működtünk együtt. Többször alkalmam nyílt az elmúlt évek során, hogy részt vegyek hazai és külföldi utakon, melyet ő szervezett és idegvezetett. Precizitása és maximalizmusa minden területen kiemelkedik. Mindenre kiterjedő figyelme és a turista csoportok iránt mutatott érdeklődése nem ismer korlátokat. Törekszik arra, hogy az adott munkából a maximumot nyújtsa, feltárva a helyi kultúra és nevezetességek minden apró részletét. Az egyedi igények teljesítését és az új kihívásokat tartja szem előtt minden körülmények között.

Tapasztalataim szerint Lídiát ajánlani tudom figyelmébe, aki fiatalos és megbízható munkatársa lenne lenne Önnek.

Amennyiben kérdése merül fel, kérem küldjön e-mailt a lentebb található címre.

Üdvözlettel,

Nagy Péter

Subject: Lidia Fule

To whom it may concern:

I met Lidia in Houston, Texas USA several years ago while we were migrating a small part of my work to Budapest.

Last year my company decided to migrate all of my groups work to Budapest. During the migration planning, it was decided to send two of us to Budapest for the migration training. I was lucky to be able to spend almost three months in Budapest. While in Budapest, we got reacquainted with Lidia. She offered to show us the city. The tour she gave us was great. Lidia was very good at articulating the history of Buda and Pest and surrounding areas. Also telling us about the night life and the best places to dine and share some drinks. I enjoyed the local wines she recommended. I shared some of the information Lidia shared with us with some on the local residence. They were not aware of some of the history.

I highly recommend Lidia for meeting, greeting, and entertaining anyone (locals and foreigners alike).

To Whom It May Concern:

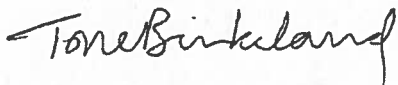

This letter serves to vouch for the personal character of Lidia Fule. I have known her for more than 10 years, from her first visit to Norway in connection with a job handover project, where tasks moved from Oslo to Budapest. We have also worked together during the past few years on other accounting and reporting issues. During that time, I have gotten to know Lidia quite well and can thoroughly vouch for her character and abilities. Lidia is a pleasure to work with because of her pleasant and positive attitude.

I have also had the pleasure of meeting her privately in Budapest, as she volunteered to show us the city during a private stay. Her knowledge about the city and her eagerness to show us as much as possible in a short time was impressive. She was thoroughly prepared to be a guide, and her knowledge about restaurants, night life, wines, etc. was impressive. Due to her motivation, interest in and excitement I would highly recommend her for a job where her abilities within these areas can be used.

In my experience, Lidia has proven herself to be an honest, hard-working, friendly young woman with great sense of humor. I strongly recommend Lidia.

Subject: Lidia Fule

To whom it may concern:

I have known Lidia for two years as she is a member of a global network I lead. Though contact normally is made via phone and emails, I met her in person when I hold a workshop for a week in Curitiba, Brazil last February. I found her strong interest to make lively conversations during our meals together regarding her recent experiences of carnival in Rio, local cocktails and wine, and foods. She also gave me some tips on how to make Hungarian stew.

Also, it is worthwhile mentioning that when she visited Bangkok in 2013 unfortunately I took vacation but she was kind to bring me a Rubik' s cube and a Hungary tour guide book as gifts. To me, they well represent the country and attract foreigners like me to plan a trip there.

I strongly recommend Lidia to your program as it will be mutual benefits to your organization and Lidia. Should you have any questions, please do not hesitate to contact me.

Sincerely yours,

Chan Itthithavorn
